For the purpose of determining the value of the Scheme (or, if applicable, a Pool or Investment Fund) under clause 6.1 the Trustee shall determine the market value of each asset in the Scheme (or that Pool or Fund) on such basis as it considers fair and equitable using a methodology determined by it from time to time and having regard to generally accepted accounting practice as defined by the Financial Reporting Act 2013 (except to the extent that the Trustee considers it need not have regard to such practice) and may from time to time engage any valuer or other suitably qualified person for the purpose of fixing the market value of any such asset (but is not under any duty to do so).

6.3 Determining liabilities

For the purpose of determining the net market value of the assets of the Scheme (or, if applicable, a Pool or Investment Fund) under clause 6.1 the Trustee shall determine the liabilities attributable to the Scheme (or that Pool or Fund) on such basis as it considers to be fair and equitable using a methodology determined by it from time to time and having regard to generally accepted accounting practice as defined by the Financial Reporting Act 2013 (except to the extent that the Trustee considers it need not have regard to such practice) and in doing so may (subject to clause 10.2):

- (a) while there are two Pools, apportion the liabilities of the Scheme generally between those two Pools on such basis as it considers appropriate; and
- (b) while there are two or more Investment Funds, apportion the liabilities of the Scheme or the Main Pool (as applicable) generally among those Funds on such basis as it considers appropriate; and
- (c) take account of each debt, liability, provision, cost, charge, expense, outgoing, tax obligation or other matter as it considers appropriate;

and, for the avoidance of doubt, may exclude certain liabilities from the liabilities taken into account, such as any PIE Tax Liability or expenses charged to Accounts (whether or not those amounts are required to be treated as liabilities for accounting purposes).

6.4 Calculation of returns

After determining the net market value of the assets of the Scheme (or, if applicable, a Pool or Investment Fund) under clause 6.1 the Trustee shall, using a methodology determined by it from time to time, determine from time to time (but no less frequently than as at the Scheme's annual balance date) the rates of return to be allocated to Accounts for the period between the last date at which returns were credited or debited to those Accounts and the date at which the returns were calculated.

6.5 Allocation of returns

Returns shall be credited or debited (as the case may be) to Accounts at such times and in such manner as the Trustee determines from time to time (but no less frequently than as at the Scheme's annual balance date).

6.6 Interim returns

When the Trustee is required under the KiwiSaver Scheme Rules to calculate an amount representing a Member's Interest:

- (a) returns as determined by the Trustee shall be credited or debited in respect of the benefit then payable (using a methodology determined by the Trustee from time to time) for the period between:
 - (i) the last date at which Accounts were credited or debited with returns in accordance with clause 6.5; and
 - (ii) the date on which the obligation to calculate an amount representing a Member's Interest arose; and
- (b) returns as determined by the Trustee may, at the Trustee's discretion, be credited or debited in respect of the amount then payable (using a methodology determined by the Trustee from time to time) for the period between:
 - (i) the date on which the obligation to calculate an amount representing a Member's Interest arose; and
 - (ii) the date on which that amount is paid.

6.7 Earnings Rate Corrections

The Trustee shall to the extent required by the FMCA²⁰ and the Regulations²¹:

PROVIDED THAT if the amount of any reimbursement or compensation required (after all relevant earnings adjustments have been made) is less than such minimum level of reimbursement or compensation as the Trustee may determine from time to time then no reimbursement or compensation shall be required to be provided.

6.8 Notice to FMA

The Trustee shall report to the FMA any material error in an earnings rate determination made pursuant to clause 6.4 or clause 6.6, or any material non-

7 BENEFITS

7.1 Benefit calculations

Benefits shall be payable from the Scheme in accordance with the KiwiSaver Scheme Rules (which are implied in the Trust Deed under section 116 and Schedule 1 of the KiwiSaver Act), withdrawals of all or part of a Member's Accumulation must only be made in accordance with the KiwiSaver Act and the KiwiSaver Scheme Rules, and when the Trustee is required under the KiwiSaver Scheme Rules to calculate an amount representing a Member's Interest the Trustee shall calculate that amount by:

- (b) deducting any amount that the Trustee considers appropriate to deduct with respect to costs, expenses, fees or (subject to clause 20) tax payable pursuant to this Trust Deed, except that if the Scheme is a PIE and the Trustee in its complete discretion considers it appropriate not to do so, no deduction shall be made from a benefit on account of any PIE Income Tax Liability.

7.2 Deferring payment

Subject to the requirements of the FMCA and the KiwiSaver Act, the Trustee may defer giving effect to a Permitted Withdrawal or any transfer out of the Scheme, or to any switch between Pools or Investment Funds pursuant to clause 10, if (and for so long as) the Trustee determines that having regard to the realisation of assets required in order to make the withdrawal or transfer or the occurrence or existence of any other circumstance or event relating to the Scheme or generally, earlier withdrawal or transfer would be imprudent or is impracticable.

8 SCHEME EXPENSES AND FORMATION COSTS

All costs, expenses, fees and tax which are payable by or to the Trustee in

9 INVESTMENTS

- 9.1 All money belonging to the Scheme and available for investment shall be invested by and under the control of the Trustee in accordance with the provisions of the Trustee Act 1956 and the FMCA as to the investment of trust funds (including without limitation a SIPO for the Scheme which complies with the requirements of the FMCA).²⁴

- 9.4 Without prejudice to the powers conferred upon it by general law or under this Trust Deed the Trustee may:
- (a) from time to time appoint and remove one or more persons as Investment Managers on such terms and conditions as may be agreed between the Trustee and each Investment Manager. The Trustee may delegate to each Investment Manager such of the Trustee's authorities, powers and discretions in relation to the investment of the assets of the Scheme as the Trustee may think fit. - 9.5 If authorised in writing by the Trustee, a Custodian appointed under clause 9.4(c) may itself appoint one or more sub-custodians in which any of the assets of the Scheme are to be vested. Any sub-custodian appointed under this clause 9.5 must meet the requirements for such a person under the FMCA²⁶.
- 9.6 If the PIE Legislation applies to the Scheme then in managing and making decisions relating to investments (including the investment, reinvestment or realisation of any investment and the exercise of any voting rights associated with any investment) neither the Trustee nor an Investment Manager may act in a manner which contradicts the PIE Legislation and the Trustee shall ensure that the investments of the Scheme are such that the Scheme meets the eligibility requirements for PIE status.

10 POOLS AND INVESTMENT FUNDS

10.1 Separate Pools

The assets of the Scheme shall be held by the Trustee in two separate and distinct pools, to be known as the "Main Pool" (intended for Brethren Members) and the "Segregated Pool" (intended primarily for Members who have ceased to break bread with the Brethren Christian Fellowship, as determined by the Trustee). The Main Pool and the Segregated Pool will each be a "Pool" for the purposes of this clause 10.

10.2 Exclusive assets and liabilities

Although the Scheme comprises a single trust fund and is treated as one KiwiSaver Scheme (with the statutes and other obligations applying to it construed accordingly) the assets of each Pool shall be the exclusive property of that Pool and all liabilities incurred in relation to a Pool shall be the exclusive liabilities of that Pool, and the Trustee shall in all respects act so as to give effect to these intentions. Without prejudice to the generality of the foregoing:

- (a) the assets held for a Pool shall not be available to meet the liabilities incurred in relation to the other Pool;

²⁵ Sections 127(1)(f) and 156(2).

Those terms and conditions:

- (a) must be set out in a SIPO for the Investment Fund which complies with the requirements of the FMCA²⁷; and
- (b) may be amended or replaced by the Trustee from time to time subject to the requirements of the FMCA;

and the Trustee must comply at all times, in relation to the SIPO, with the requirements of the FMCA²⁸ and the Regulations²⁹, including ensuring that:

- (a) all liabilities incurred in relation to an Investment Fund shall be met in the first instance from the assets held for that Investment Fund;
- (b) the liabilities incurred in relation to an Investment Fund may only be met from other assets of the relevant Pool (and in such equitable manner as the Trustee sees fit) if, and to the extent that, the assets held for that Investment Fund are insufficient to meet such liabilities;
- (c) except to the extent necessary (pursuant to clause 10.5(b)) to meet the liabilities incurred in relation to another Investment Fund, all investments made with the moneys of an Investment Fund shall be held by the Trustee:

- (d) provided that (subject to clause 20.1) the Trustee may transfer value between Investment Funds to accommodate the Scheme being a single taxpayer;
